Smart storage

problem

- Time
- effort
- cost

solution

Smart storage can help to
keep products

- saved
- clean
- organized

Ideas and benefit

- Security system
- Rationalization of electricity and water consumption
- Weight calculation system
- Fire alarm system

Technology used

- Fire sprinkler
- Home gateway
- LCD
- MCU
- Membrane potentiometer
- Motion sensor
- Router
- RFID Reader
- Smartphone
- SBC
- Siren
- Smoke detector
- Thermostat
- Water level monitor
- Webcam
- Water sensor

project

Thank you..
